Fitness Center Policies & Procedures: Membership Payments

To: All USDA/ESRA Fitness Center Members

Membership Payments: All members are responsible for membership dues and locker dues upon the first day of joining the ESRA Fitness Center. We have two simple and convenient ways to make your payment:

1. Automatic Payment via Credit Card
2. Payroll Deduction

New Policy: Credit Card on File Required

Beginning January 2018 the ESRA Fitness Center is using a cloud based membership tracking software called EZFacility. Through this software, we will be accepting credit card payments through Constellation Payments and their credit card processor, Elavon. Both EZFacility and Constellation Payments are PCI compliant Level 1, which is the highest level of compliance that you can obtain. These secure, automatic payments allow ESRA to be more accurate and efficient as well as provide better services to our members. This software will also allow you to purchase goods with a credit card kept on file, such as sports drinks, protein shakes, snacks and toiletries.

All new members who sign up for the Fitness Center (both automatic payments and payroll deduction) will be required to provide a valid credit card to keep on file in this software. This information will remain securely stored and ESRA staff will not have access to this information. Your credit card will be used for billing purposes only such as: membership dues, locker dues and merchandise purchases as applicable.

Automatic Payment Members: Membership options are Quarterly (3 Months), Semi-Annually (6 Months) or annually (12 Months). At the end of your membership period the software will automatically renew your membership for the length of time chosen at joining. All payments are non-refundable and you are responsible for canceling your membership before you are automatically renewed. You are required to submit your cancellation in writing or by email 72 hours prior to your expiration date to the Fitness Center: esrafitness@gmail.com.

Payroll Deduction Members: For those who use payroll deduction, you need to be aware that it sometimes takes up to 3-4 months for deductions to be processed by the NFC and for ESRA to receive your dues. If your payroll allotment is not processed immediately by HR, ESRA will automatically charge your credit card on a monthly basis until that request is processed. This payment will happen through our membership software and Constellation Payments.

You also need to be aware that NFC policy is to only allow USDA employees 2 allotments for payroll deductions. If you have already used your allotment, you cannot use payroll deduction for your fitness center dues. Please make sure that you have a free allotment available. If you do not, you must pay your fitness center dues through automatic credit card payments.

Finally, if you decide to end your membership, **it is your responsibility** to notify NFC through your personnel office to end your payroll deductions to ESRA. We are not permitted by the Department to do this for you. **ESRA will not refund your fees if the NFC fails to cancel your allotment.** Please see a Fitness Center Attendant for the NFC/Payroll Allotment cancellation form or visit our website at www.usdaesra.org/fitness. You should also notify the Fitness Center staff if you intend to end your membership.

Additionally, please notify the Center if your name, address, email, or credit card information has changed.

I have read and understand this letter in its entirety. I authorize ESRA management to process my credit card under the above circumstances for my membership dues, locker fees and merchandise purchases as applicable. I understand that all charges are non-refundable.

ESRA FITNESS CENTER CODE OF CONDUCT

Staff and members of the Employee Services & Recreation Association (ESRA) fitness center are expected to behave with civility and appropriate conduct. When you agree to join the ESRA Fitness Centers, you agree to cooperate with staff while utilizing the facility and other areas of authority. No refunds will be given for loss of membership privileges due to breach of the Code of Conduct. All members are to exercise good judgment in caring for the safety of others as well as themselves. In the event that you witness or experience threatening or inappropriate behavior by another individual, please report the situation immediately to a staff member. Standards of Conduct include, but are not limited to, the examples outlined below. The following types of conduct are specifically prohibited and may result in loss of membership:

If you engage in behavior that is considered aggressive, then your actions may result in temporary or permanent loss of privileges to the fitness center.

2. Control: Fitness Center staff employees of ESRA are responsible for managing and maintaining the safety of members. You agree to comply with the directions of staff employees acting in the performance of their duties. Failure to comply with staff requests, directions, or instructions will result in a loss of privileges.

3. Unauthorized Entry: You must have a valid membership for access to the fitness center. You may not enter unauthorized areas such as offices, gender opposite locker rooms, and closets, unless you are an employee of ESRA. Trespassers will lose privileges.

4. Disorderly Conduct: You may not engage in disorderly or lewd conduct including disorder associated with alcohol or controlled substances.

5. Photography and Video Taping: You are not allowed to photograph or videotape individuals or images in the fitness center or locker rooms without proper approval of ESRA.

6. Unauthorized Commercial Activity: You are not allowed to post, advertise, instruct in private lessons, or solicit individuals for personal services, unless approved by the GM of ESRA.

The following actions are considered Criminal Activities and will result in immediate security action. ESRA staff will contact the Office of Operations (OO), Protective Operations Division (POD) and request assistance addressing the immediate threat. Additional sanctions and restrictions will apply, including loss of privileges.

7. Vandalism: Damage to or destruction of any property of the ESRA or property of others while in the fitness center.

8. **Assault**: Rape, sexual assault, or sexual harassment.

9. **Theft**: Removal of or conversion of ESRA or property of others while in the fitness center.

10. **Firearms**: Use or possession of an explosive device, firearm, or other deadly weapon when in the fitness center.

Governance

Violation of any of the Standards of Conduct is grounds for disciplinary action. Any ESRA employee of the Fitness Center may start disciplinary action against any member he/she deems to be in violation of the Standards of Conduct by:

- Requesting a stop to the violation/offending action
- Requesting a violator to leave the fitness center
- Requesting assistance from a ESRA Supervisor or authority, and/or calling the POD

The ESRA staff employee will also file a written report with the Supervisor/s for review. The ESRA Supervisor/s will:

- Read the written reports after the incident
- Determine immediate action, or
- Refer more serious complaints to the ESRA Advisory Board or OO/POD

The ESRA Advisory Board will:

- Meet monthly (or as needed) to review the more serious complaints and determine appropriate action
- Receive, hear, and rule on appeals

Appeals

Violators have the right to appeal disciplinary actions. A valid appeal must concern either a misapplication or one of the Standards of Conduct. Appeals must be written and received within 14 days of issuance of disciplinary action. Appeal letters must be addressed to the General Manager of ESRA who will evaluate the appeal and determine appropriate action in consultation with the ESRA Board of Directors within a reasonable time frame.

I have read this statement and fully understand its contents. I agree to abide by the ESRA Fitness Center Code of Conduct in its entirety. I understand that if I do not abide by the Code of Conduct, it is grounds for my removal from the Fitness Center, with no financial compensation from ESRA whatsoever.
