

# RETIREMENT SIMULATION WORKSHOP

The Office of Human Capital and Talent Management is sponsoring a "Retirement Simulation Workshop" that is open to all USDA employees at the mid, senior, and retiring levels.

The purpose of the Workshop is to **educate Federal employees on the need for retirement savings** and investment, as well as **provide information on how to plan for retirement** and calculate the retirement investment needed to meet retirement goals.

**Participants should walk away from this presentation with a roadmap for their financial future.**

**Thursday, February 13, 2020**

**11:00 a.m. to 12:00 p.m.**

**USDA South Building Cafeteria, Room 3**

Lunch will be provided to participants at the end of the seminar
